Welfare Bulletin

Welfare Support

Sometimes, everyone needs a little help with their work, relationships and health. Boded has always been there for everyone, however you must have the right advice to help and support you. Therefore, we are very happy to welcome Ms Sonia Hughes to the welfare team. Ms Hughes will be our school nurse. She will be available to support and advise on a range of matters, from healthy relationships to mental health. Every Monday lunchtime, she will be available for a confidential drop-in in the nurse's room. She'll also be supporting individuals on a one to one basis at school.

The school also offers all sort of support to anyone ranging from registration tutors to outside agencies. It's all available to you during any challenge you may face, especially during the exam season.

LGBT+ History Month

As a school, Ysgol Uwchradd Bodedern prides itself on being an open and inclusive school.

One of the clubs available to pupils is the LGBT+ Club on Thursday lunchtime. The group will join a national programme

Brook's Big RSE live lesson to learn more about the history of the LGBT+ movement in Britain.

5 Steps to Wellbeing

During morning assemblies, we have been discussing different aspects of the 5 steps to wellbeing project. One aspect is keeping healthy, both mentally and physically. Research shows that acts of kindness are the foundation to happiness, and releases the hormone cortisol.
